Friedrich Dürrenmatt *His Life in Pictures*

Published by Diogenes as *Sein Leben in Bildern*
Original title: *Dürrenmatt. Sein Leben in Bildern*

When Friedrich Dürrenmatt was a child, his parents told him the Greek myths and the stories of the Old Testament. These became the essentials of his future artistic material. A student of literature and philosophy in Switzerland spared by the cruelties of World War II, Dürrenmatt imagined the apocalypse in expressionistic paintings and in a first play, which scandalized the Swiss and made Dürrenmatt into a household name. In 1952 he moved with his wife and children to Neuchâtel. It was here, in peace and solitude, that he wrote his internationally acclaimed plays (›The Visit‹, ›The Physicists‹) and his bestselling crime novels (›The Judge and his Hangman‹, ›The Pledge‹). His late works, considered by many as his crowning achievement, are yet to be discovered by a large audience. Hundreds of unpublished photographs from the writer's private archives are juxtaposed and ›commented‹ by excerpts from Dürrenmatt's autobiographical works and interviews. A fantastic and vivid life in pictures.

Praise

Friedrich Dürrenmatt

»Even after the death of its author, his huge and unique work is still a dark continent, largely unilluminated and untested, a continent in motion, always good for intellectual surprises and dramatic adventures.« – Gert Ueding

»Dürrenmatt was addressing the real crowd assembled in real theaters with all their swiftly changing feelings, their ignorance, bad habits and vaulting possibilities. At the same time he was a philosopher-poet with one eye on the picture of the real, on artifice, and on the long preoccupations of philosophy and art through the ages.« – Arthur Miller

»Dürrenmatt has always been too impulsive for his times but the chaotic world has quickly caught up with him. That's why his work will last. The purifying force of his irony becomes the more important and useful – particularly because it is driven by the profound humanity that Dürrenmatt's friends always knew in him.« – Peter Brook

Praise (cont'd)

»Now, like an avalanche in far-off mountains, comes Friedrich Dürrenmatt, a detective-story writer with a genius for the theater, to give us a new theme, or rather to remind us of an ancient one: justice. His vision is a cold one but pure, and very nearly unique in our day, for in his devotion to the idea of justice he has succeeded in casting across an age committed to false Love the dark shadow of the scales.« – Gore Vidal

»It was once observed by Oscar Wilde that a writer should be able to write anything. Mr. Dürrenmatt meets Wilde's requirement. He adopts a manner well liked by some of our better writers, that of a Roman of the later Empire, a golden weariness. Mr. Dürrenmatt chooses compression of style and strictness of form, but the late Imperial feeling is still there.« – Saul Bellow

»One of Europe's most important postwar dramatists.« – The Daily Telegraph, London

»Next to Kafka and Camus, he is one of the great questioners of this world.« – Martin Ebel / Süddeutsche Zeitung, Munich

»Friedrich Dürrenmatt belonged to the most cheerful apocalyptic writers of the 20th century.« – Thomas Hürlimann / Neue Zürcher Zeitung, Zurich

»Universal, uncomfortable and visionary: Friedrich Dürrenmatt is the worthy reigning literary monarch of the year.« – Wener Krause / Kleine Zeitung, Graz

»He is evil, he doesn't think anything good of humanity, and he describes this – but he does it with wit.« – Elke Heidenreich / SRF2, Zurich

»Friedrich Dürrenmatt is a centennial author, because he saw the century that was to follow him too.« – Daniele Muscionico / Aargauer Zeitung, Aarau

»One of the greatest writers of our century.« – Corriere della Sera, Milan
