

Diogenes

Friedrich Dürrenmatt *The Crime Novels*

Published by Diogenes as *Die Kriminalromane*
Original title: *Die Kriminalromane*

In *The Judge and his Hangman* (1950) Dürrenmatt's investigator takes to the stage for the first time: Inspector Bärlach, an old fossil of the judicial system. For health reasons, he has only very little time left to solve a murder case. Bärlach's approach to the issues of justice, morality, guilt and punishment is a common thread running through all of Dürrenmatt's crime novels. In *Suspicion* (1951), for example, the inspector fights once more against death and injustice, driven by his boundless defiance at »existing in this world and fighting for another one, a better one«. In *The Pledge* (1958) another investigator, Matthäi, doggedly tries to hunt down a child-murderer, showing no fear of danger or its consequences. *Justice* (1985) focuses on a young lawyer's entanglement in the delicate web of justice, the judicial system and morality. Dürrenmatt began his fifth (and uncompleted) crime novel *The Pensioner* (1995) as early as 1969, but kept re-writing it. The novel's protagonist, the ill, gluttonous Inspector Höchstettler, is the spitting image of Bärlach.

Praise

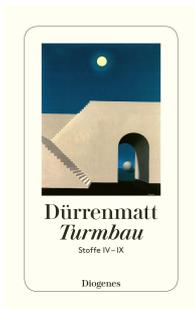

The Crime Novels

»Spellbinding mystery novels.« – Richard Lipez / Washington Post

Friedrich Dürrenmatt

»Even after the death of its author, his huge and unique work is still a dark continent, largely unilluminated and untested, a continent in motion, always good for intellectual surprises and dramatic adventures.« – Gert Ueding

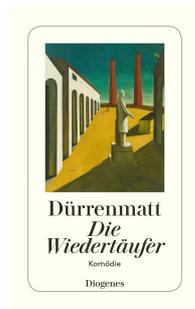

»Dürrenmatt was addressing the real crowd assembled in real theaters with all their swiftly changing feelings, their ignorance, bad habits and vaulting possibilities. At the same time he was a philosopher-poet with one eye on the picture of the real, on artifice, and on the long preoccupations of philosophy and art through the ages.« – Arthur Miller

Praise (cont'd)

»Dürrenmatt has always been too impulsive for his times but the chaotic world has quickly caught up with him. That's why his work will last. The purifying force of his irony becomes the more important and useful – particularly because it is driven by the profound humanity that Dürrenmatt's friends always knew in him.« – Peter Brook

»Now, like an avalanche in far-off mountains, comes Friedrich Dürrenmatt, a detective-story writer with a genius for the theater, to give us a new theme, or rather to remind us of an ancient one: justice. His vision is a cold one but pure, and very nearly unique in our day, for in his devotion to the idea of justice he has succeeded in casting across an age committed to false Love the dark shadow of the scales.« – Gore Vidal

»It was once observed by Oscar Wilde that a writer should be able to write anything. Mr. Dürrenmatt meets Wilde's requirement. He adopts a manner well liked by some of our better writers, that of a Roman of the later Empire, a golden weariness. Mr. Dürrenmatt chooses compression of style and strictness of form, but the late Imperial feeling is still there.« – Saul Bellow

»One of Europe's most important postwar dramatists.« – The Daily Telegraph, London

»Next to Kafka and Camus, he is one of the great questioners of this world.« – Martin Ebel / Süddeutsche Zeitung, Munich

»Friedrich Dürrenmatt belonged to the most cheerful apocalyptic writers of the 20th century.« – Thomas Hürlimann / Neue Zürcher Zeitung, Zurich

»Universal, uncomfortable and visionary: Friedrich Dürrenmatt is the worthy reigning literary monarch of the year.« – Wener Krause / Kleine Zeitung, Graz

»He is evil, he doesn't think anything good of humanity, and he describes this – but he does it with wit.« – Elke Heidenreich / SRF2, Zurich

»Friedrich Dürrenmatt is a centennial author, because he saw the century that was to follow him too.« – Daniele Muscionico / Aargauer Zeitung, Aarau

»One of the greatest writers of our century.« – Corriere della Sera, Milan
