Aurora's Motive

Published by Diogenes as *Auroras Anlaß*
Original title: *Auroras Anlaß*

'Aurora's Motive' is an electrifying novel of feminism gone mad, based on the true story of Aurora Rodriguez. Born in 1890 into the stifling world of provincial bourgeois Spain, Aurora Rodriguez grew up precocious, virtually self-educated, filled with longings for self-realization and cloudy Nietzschean dreams (gleaned from her father's library) of a world made better by a Superwoman – if not herself, than a daughter. In 1914, after her parents died, she moved to Madrid and gave birth to a daughter, Hildegart, whom she proceeded to raise by herself, with utter devotion and according to her own theories, to be the Valkyrie of the New Era. Hildegart was indeed a prodigy – a thirteen-year-old law student at Madrid's Central University, a brilliant socialist activist who led campaigns for sexual freedom and the creation of the Spanish Republic – until, at the age of 17, she fell under the spell of the notoriously seductive H.G. Wells, who invited her to leave Spain. Torn between the superwoman persona her mother had created for her and her own, more worldly desires, Hildegart begged Aurora to rescue her. And so Aurora did...

Praise

Aurora's Motive

»The very sparseness of the tale leaves the peculiar power of the mystery intact.« – Washington Post Book World

Erich Hackl

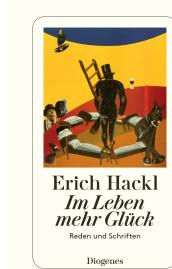

»Erich Hackl's concise and hauntingly dense works of prose have gained him a huge audience and great success. At the bottom of his efforts are usually some forgotten beings, victims of our century's cruel history, with their authentic albeit not exactly remembered biography. Here Hackl, the Austrian author, overly sensitized perhaps because of his own country's extreme insensitivities, steps in and tries to bring about an act of belated justice and redemption. This obviates the question whether Hackl is a fiction writer or a historian, a lawyer of the >small people< or a missionary voice of human dignity: he is all of these, and ideally they all add up to make a writer.« – Erich Wolfgang Skwara / World Literature Today, New York

»A masterful and authoritative chronicler.« – Michael Opitz / Deutschlandradio Berlin

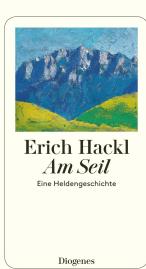

»The name Erich Hackl has become a trademark for wonderfully sensitive real-life stories unique in contemporary German literature.« – Tobias Becker / Kulturspiegel, Hamburg

»Erich Hackl's narrative is masterful and compelling.« – Der Tagesspiegel, Berlin

»One of Austria's virtuoso masters of language [...] who has done more to correct our image of history than a dozen historians put together.« – Thomas Rothschild / Die Presse, Vienna
