

## Bernhard Schlink *Justice*

Published by Diogenes as *Gerechtigkeit*  
Original title: *Gerechtigkeit*

Everyone wants justice – always for themselves, sometimes for others, rarely for everyone. But what is justice, and how is it obtained? Bernhard Schlink offers neither an ideal concept nor a general formula. His objective is more modest. His emphasis lies on the process, on how we must continually renew our search for fair solutions and how we can find them. This is work, and this text is a guide on that path.
