H.U. Steger *Travelling to Tripiti*

Published by Diogenes as *Reise nach Tripiti*
Original title: *Reise nach Tripiti*

A dishevelled teddy bear and his toy friends embark on a journey to the promised land of toys. This children's book, which decries today's throwaway society, has already become a classic.

H.U. Steger (1923 - 2016) studied at the Zurich School of Applied Arts, where he later worked as a teacher for 20 years. His first cartoon was published in *Nebelspalter*. Since 1945 he has published a weekly cartoon about global or local events under the name of *H. U. St.* in the *Weltwoche*, the *Zürcher-Woche* and in the Zurich-based *Tages-Anzeiger*. Alongside his career as a cartoonist, Steger is also an author of children's books, a painter, an off-the-wall artist and a collector of just about everything.
