Erzählung · Diogenes

The gripping story of a young gypsy girl born in the year the Nazis came to power in Germany. Adopted by a loving working-class family, Sidonia grows up as a nurtured and protected child in a small, impoverished Austrian town. The times are turbulent and saturated with fear and violence. Everything foreign is perceived as dangerous, and general insecurity turns into hatred. Sidonia looks different than the other children in town, she cannot hide her heritage. As the Nazis gain influence and power, danger mounts for her and her socialist foster parents. They are exposed to increasing pressure until ultimately their very lives are threatened and Sidonia's fate lies in the hands of the townspeople.

As a mercilessly sober chronicler of facts, Hackl presents us with historical events that were long suppressed. Yet beyond the actual individual case the clear intensity of his language evokes the fate of all those who are persecuted for their ethnic origin, political beliefs, or religious background. In the end, no reader can escape the haunting question who has to bear responsibility for injustice that was committed and that still is committed today.

Praise

Erich Hackl

»Erich Hackl's concise and hauntingly dense works of prose have gained him a huge audience and great success. At the bottom of his efforts are usually some forgotten beings, victims of our century's cruel history, with their authentic albeit not exactly remembered biography. Here Hackl, the Austrian author, overtly sensitized perhaps because of his own country's extreme insensitivities, steps in and tries to bring about an act of belated justice and redemption. This obviates the question whether Hackl is a fiction writer or a historian, a lawyer of the »small people« or a missionary voice of human dignity: he is all of these, and ideally they all add up to make a writer.« – Erich Wolfgang Skwara / World Literature Today, New York

»A masterful and authoritative chronicler.« – Michael Opitz / Deutschlandradio Berlin

»The name Erich Hackl has become a trademark for wonderfully sensitive real-life stories unique in contemporary German literature.« – Tobias Becker / Kulturspiegel, Hamburg

»Erich Hackl's narrative is masterful and compelling.« – Der Tagesspiegel, Berlin

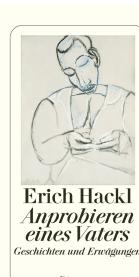

»One of Austria's virtuoso masters of language [...] who has done more to correct our image of history than a dozen historians put together.« – Thomas Rothschild / Die Presse, Vienna
