Der Capri-Krimi

Roman · Diogenes

On the most beautiful island in the world, the lemons are ripening for the Bellinis' famous Limoncello. But then, the Constantinis suddenly stop supplying - they want to make the shift to organic fruits and crowd farming. When Elisa Constantini dies in a mysterious accident on Capri's serpentine roads, the island's young detective Enrico Rizzi and his dynamic colleague Antonia Cirillo lead the investigation - and find themselves gazing into an abyss of old feuds and new disputes.

Luca Ventura prefers to remain anonymous. The writer lives on the Gulf of Naples, where he is currently working on the next case in the *Capri* series about the islander Enrico Rizzi and his north Italian colleague Antonia Cirillo.
