Der Halbbart

Roman · Diogenes

Sebi, our teenage hero and narrator in Charles Lewinsky's epos, is not exactly tailored to the rough medieval world he's born into: gifted with youthful wisdom, he is more of a storyteller than a warhorse. With these qualities, he hardly meets the demands in the rural Swiss village in 1313. However from *Halfbeard*, a stranger from a distant region, the boy discovers both the good and the bad in humanity – and does come into his own as he dedicates himself to the power of narration: the truth is in the telling.
