Life gets so boring if you never think outside the box! That's Mini's opinion, anyway. She lives in the basement, way down under the stairs. Unlike young Mini, Mum and Dad worry constantly. The world outside the mousehole is riddled with peril. Yet Mini refuses to be deterred. Bold and determined, she sets out again and again in search of like-minded friends, finding that other little adventurers do exist after all.

Helme Heine, born in Berlin in 1941, has authored more than thirty children's books, with millions of copies sold around the world. Helme Heine has received numerous awards and honours, including the ›Grand Prize of the German Academy of Children's and Young Adults' Literature‹, and the ›Best Illustrated Children's Books of the Year‹ by the *New York Times* on a number of occasions.
