Geschichten und Erwägungen

Diogenes

Haunting stories: The life of a child whose parents have forgotten to love him. A woman reluctant to speak about herself, on the verge of disappearing behind the veil of amnesia. A man guarding an extraordinary secret for the sake of love. A grandfather, knowing that his own children were forced to give up their lives for him, who is searching for his kidnapped grandchild. A revolutionary who continues to rise from the dead. Accounts of the ten commandments of a storyteller, of a land with two scales of justice, of a visit to an extraordinary museum, of how to divide a cube of sugar between ten people. And portraits of authors whose work is too important to be noticed by the literary scene.

## Praise

### *If the Father Fits*

A phenomenon of European literature: the most unassuming of celebrities. – News, Vienna

The way in which Hackl finds his material can only be admired. He must be, simultaneously, a good listener, a gentle questioner, a reliable and trustworthy follower of trails and collector of information. From this material he creates texts both laconic and discreet – the silent, forgotten epics of contemporary history. – Siegrid Löffler

### Erich Hackl

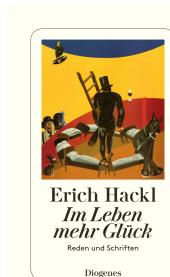

»Erich Hackl's concise and hauntingly dense works of prose have gained him a huge audience and great success. At the bottom of his efforts are usually some forgotten beings, victims of our century's cruel history, with their authentic albeit not exactly remembered biography. Here Hackl, the Austrian author, overly sensitized perhaps because of his own country's extreme insensitivities, steps in and tries to bring about an act of belated justice and redemption. This obviates the question whether Hackl is a fiction writer or a historian, a lawyer of the *>small people<* or a missionary voice of human dignity: he is all of these, and ideally they all add up to make a writer.« – Erich Wolfgang Skwara / World Literature Today, New York

»A masterful and authoritative chronicler.« – Michael Opitz / Deutschlandradio Berlin

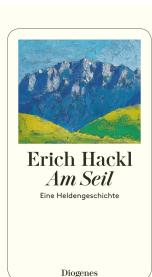

»The name Erich Hackl has become a trademark for wonderfully sensitive real-life stories unique in contemporary German literature.« – Tobias Becker / KulturSpiegel, Hamburg

»Erich Hackl's narrative is masterful and compelling.« – Der Tagesspiegel, Berlin

»One of Austria's virtuoso masters of language [...] who has done more to correct our image of history than a dozen historians put together.« – Thomas Rothschild / Die Presse, Vienna
