There are people who cannot get rid of the feeling that they are always slightly behind the latest trend. Others do not even know what has been wrong with their lifestyle up till now. Both groups are ideal candidates for *How to Live Properly with Geri Weibel*. After trying out more or less everything that can possibly be tried out, Geri has developed into a kind of »trend seismographer« in terms of contemporary lifestyle. From A for Alcohol, C for Cult, F for Fitness, L for Loft, P for Personality and S for Scene – Geri has been through and thought about them all.
