In a Hidden Cove

Published by Diogenes as *In einer stillen Bucht*
Original title: *In einer stillen Bucht*

A woman is found dead on a rocky ledge above the sea on the island of Capri. Maria Grifo was the director of the famous Naples Conservatory of Music. Could the murder have had something to do with the disappearance of the one-of-a-kind Stradivarius harp from the music school? Its sound – as investigators Enrico Rizzi and Antonia Cirillo discover – is so beautiful there are people who would kill for it.

Luca Ventura prefers to remain anonymous. The writer lives on the Gulf of Naples, where he is currently working on the next case in the *Capri* series about the islander Enrico Rizzi and his north Italian colleague Antonia Cirillo.
