## Daniela Krien *Mein drittes Leben*

Roman · Diogenes

She had everything, and she lost every- thing. Following the death of her 17-year- old daughter Sonja and a cancer diagnosis, Linda leaves behind everything that had previously defined her: her work at a Leipzig art foundation; her husband Richard; her family and friends. Feeling distraught and vulnerable, she flees to an old farmhouse in the Saxon countryside.

And it ends up being another woman's daughter who brings her back to life from the brink of the abyss.
