Book factsheet

Donna Leon
Give Unto Others

Published by Diogenes as *Milde Gaben*
Original title: *Give Unto Others*

Elisabetta Foscarini, a childhood friend of Brunetti's and still a beautiful woman, turns up at the Questura one day and asks Brunetti for a favour. Could he look into who is threatening her daughter's family? However, so far there is little concrete evidence of any wrongdoing: who could possibly wish harm on a vet and an accountant who works for a charity? Brunetti is about to dismiss the whole thing as exaggerated maternal anxiety when there's an attack, and the case takes a very dark turn. It has never been more difficult to bring the true criminal to account.

1991 Japans renommierter ›Suntory‹-Preis für *Death at la Fenice* (dt. *Venezianisches Finale)*

Praise

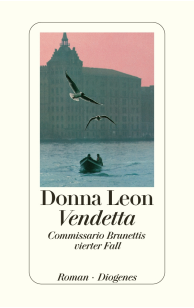

Give Unto Others

»This book is classic Leon: Brunetti is less focused on any actual crime than on figuring out whether some other unknown crime has been committed, whether he himself is doing something wrong by using official resources on an unofficial investigation, whether the ends of finding information he needs justifies Signorina Elettra's shadowy means of procuring it [...] Still the next best thing to moving to Venice.« – Kirkus Reviews, New York

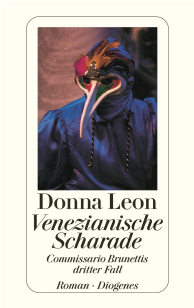

»It may be Donna Leon's 80th birthday this year but it is her readers who will be getting a present, in the form of a new *Commissario Brunetti* novel, *Give Unto Others.*« – Financial Times, London

»*Give Unto Others* is no less mysteriously compulsive than its 30 predecessors... Thanks for giving such civilised pleasure for half a lifetime.« – The Tablet, London

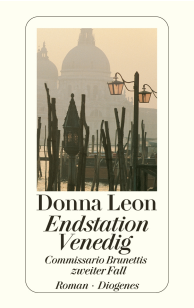

»There has always been another reason to read Leon: the elegance and wit of her prose. Virtually every page contains a sentence that demands to be quoted.« – The Sunday Times, London

Praise (cont'd)

»The pace of this novel is slow and stately but save it for the weekend when you don't have to put it down even for a meal.« – Margaret Cannon / The Globe and Mail, Toronto

»... reading Leon is always an uplifting experience, like a perpetually refilled first glass of champagne.« – Mark Sanderson / The Times, London

»There is a central mystery, to be sure, but the characters and their evolving relationships are the driving force of the series as it explores Venice, its history, its culture and, of course, its crime.« – Bruce Tierney / BookPage, Nashville

»A joy to read and to follow her nimble work in this literary fine fabric.« – Frank Dietschreit / rbb Kultur, Berlin

»The cultivated Commissario, seeking the truth behind this strange imbroglio, reads the heart all the way back to Greek tragedy's bitter truths.« – Wall Street Journal, New York

»Unarguably one of the most humane – and absorbing – of the series. [...] The dilemmas demand the best of Brunetti, which is what he delivers.« – Toronto Star, Toronto

»For those who know Venice, or want to, Brunetti is a well-versed escort to the nooks, crannies, moods, and idiosyncrasies of what residents call La Serenissima, the Serene One [. . .] Richly atmospheric, [Leon] introduces you to the Venice insiders know.« – USA Today, McLean, Virginia

»You can rely on Donna Leon.« – Thomas Steiner / Badische Zeitung, Freiburg

»What more could one ask for?« – Harald Loch / Aachener Zeitung, Aachen

»*Brunetti* fans will love this, because it reveals a lot about his personal life.« – Julia Gaß / Ruhr Nachrichten, Dortmund

»Donna Leon's *Give Unto Others* isn't about action, but far more about the psychological exploration of personalities we may encounter in day-to-day life.« – Simone Dattenberger / Münchner Merkur, Munich

»It is a pleasure to follow her light-handed work on this fine literary fabric.« – Frank Dietschreit / rbb Kultur, Berlin

»Another moving meditation on the vagaries of human relationships posing as a mystery novel.« – Bill Ott / Booklist (starred review), Chicago

»*Give Unto Others* is both tremendously enjoyable and deeply humane. As much about love as it is about crime, and rich with Venetian detail.« – Jessie Greengrass / (Costa-shortlisted author of The High House)

Praise (cont'd)

»Leon's thirty-first novel in the *Brunetti* series is about human weakness of all kinds: drugs, dementia and dietrologia or, to put it another way, the need to know. Isn't that why we read mystery novels?« – The Times, London

»Still the next best thing to moving to Venice.« – Kirkus Reviews, New York

»There is no ambiguity about the unalloyed affection millions of readers feel toward Guido Brunetti, one of crime fiction's most popular protagonists.« – Bill Ott / Booklist, Chicago

»The book is steeped in a gray, murky atmosphere as Leon describes the pandemic-related devastation of Venice's tourist-dependent economy—a devastation that mirrors Brunetti's inner turmoil as he tries to determine where his loyalty lies in the increasingl« – Washington Post, Washington, D.C.

Donna Leon

»Brilliant.« – Sunday Times, London

»A splendid series . . . with a backdrop of the city so vivid you can almost smell it.« – The Sunday Telegraph, London

»Donna Leon can paralyze the reader with joyful suspense.« – The Mail on Sunday, London

»[Donna Leon] has never become perfunctory, never failed to give us vivid portraits of people and of Venice, never lost her fine, disillusioned indignation.« – Ursula K. LeGuin / The New York Times

»The most obvious appeal of Donna Leon's novels about Commissario Guido Brunetti is that they are so supremely civilized. For readers with a certain mindset—distaste for violence, love of Italy's cultural and sensual pleasures and scorn for officialdom — Donna Leon's novels are always a pleasure.« – Patrick Anderson / The Washington Post

»Donna Leon guides us through Venice like James Ellroy through Los Angeles or Manuel Vázquez Montalbán through Barcelona: with an eye used to detect what lies behind the façade.« – Le Figaro, Paris

»Donna Leon is a top thriller writer, on a par with Agatha Christie, Dorothy L. Sayers, Patricia Highsmith and Ruth Rendell. Women, so it would seem from literary history, have always been in their element with the genre of murder and violence.« – Sonntags Zeitung, Zurich

»Brilliantly evokes Venetian atmosphere. The characters of Brunetti and his family continue to deepen throughout this series.« – The Times, London

»Donna Leon is the undisputed crime fiction queen.« – Sarah Weinman / Baltimore Sun

Praise (cont'd)

»In the footsteps of Brunetti, endowed with a ruthless humor and a healthy appetite, Donna Leon's readers discover Venice better than with a guide book.« – Le Monde, Paris

»Brunetti's humane police work is disarming, and his ambles through the city are a delight.« – The New York Times, Book Review

»Brunetti remains unique – an everyman who's also extraordinary.« – Publishers Weekly

»Donna Leon's Venetian mysteries never disappoint, calling up the romantic sights and sound of La Serenissima even as they acquaint us with the practical matters that concern the city's residents.« – Marilyn Stasio / The New York Times Book Rreview

»Donna Leon's books are a joy.« – The Guardian, London

»When writing about her beloved Venice, Donna Leon can do no wrong.« – The New York Times

»[Leon] has never become perfunctory, never failed to give us vivid portraits of people and of Venice, never lost her fine, disillusioned indignation.« – Ursula K. Le Guin / New York Times, New York

»Hers is an unusually potent cocktail of atmosphere and event.« – The New Yorker, New York

»[Leon] uses the relatively small and crime-free canvas of Venice for rips about Italian life, sexual styles and - best of all - the kind of ingrown business and political corruption that seems to lurk just below the surface.« – Chicago Tribune, Chicago

»Leon started out with offhand, elegant excellence, and has simply kept it up.« – The Guardian, London

»Leon whips up a brilliant narrative storm.« – Sunday Times, London

»Her depiction of Venice, its crimes and beauties, villains and heroes, high and low and the character of Brunetti and his family and friends has long been a delight for discerning readers. The warmth, understanding and shrewdness with which Leon's elegant, witty prose depicts this particular part of Italy is a joy. She is one of the best European novelists around, and her unflinching address to current affairs makes her worthy of the highest regard.« – Amanda Craig

»She has reinvented Venice.« – Kristina Maidt-Zinke / Süddeutsche Zeitung, Munich

»Her love for this city shines through from every line of her crime novels.« – Maria Wiesner / Frankfurter Allgemeine Zeitung, Frankfurt

»Leon's pedagogical eros is akin to that of Mary Poppins. Who could resist it?« – Simone Dattenberger / Münchner Merkur, Munich

Praise (cont'd)

»To read her is to restore the soul.« – Mark Sanderson / The Times, London
