The Melody of Money

Published by Diogenes as *Das Lied des Geldes*
Original title: *O fonos einai chrima*

Left-wing politics are carried solemnly to the grave, in a funeral procession through the streets of Athens. What looks like a carnival parade is in fact the start of a new protest movement: the poor, uniting to make their voices heard.
Is the murderer of the foreign investors among their ranks? Detective Haritos investigates and pricks up his ears when he hears the song of money all over the city.
