Friedrich Dürrenmatt *Meine Schweiz*

Ein Lesebuch

Diogenes

All his life Friedrich Dürrenmatt thought and wrote about Switzerland.

»I like being Swiss,« Dürrenmatt often said. The Switzerland he was talking about was not the nation celebrated in myths, but the juxtaposition and problematic co-existence of its four different cultures. A small nation which emerged from its conquest by Napoleon, Switzerland was for the pragmatic Swiss writer a political opportunity: a confederation of states in miniature, and as such a kind of model for Europe. As a motherland, Switzerland often annoyed him. He made fun of the discrepancy between the small-state reality and its heroic history. But even as a very young man, Dürrenmatt was disturbed by the very fact that now irritates the whole world and a great many Swiss: the way in which Switzerland has covered up its past – its isolated role and its sparing in World War II – under a cloak of legends.

»While Dürrenmatt may regard the world as inscrutable, he tirelessly sets about penetrating it through thought, scrutinising it as far as his eyes can see and his materials can reach.« – Georg Hensel, eulogy to Dürrenmatt on the occasion of winning the ›Georg Büchner Prize‹ in 1986.

Praise

Friedrich Dürrenmatt

»Even after the death of its author, his huge and unique work is still a dark continent, largely unilluminated and untested, a continent in motion, always good for intellectual surprises and dramatic adventures.« – Gert Ueding

»One of Europe's most important postwar dramatists.« – The Daily Telegraph, London

»Dürrenmatt was addressing the real crowd assembled in real theaters with all their swiftly changing feelings, their ignorance, bad habits and vaulting possibilities. At the same time he was a philosopher-poet with one eye on the picture of the real, on artifice, and on the long preoccupations of philosophy and art through the ages.« – Arthur Miller

Praise (cont'd)

»Dürrenmatt has always been too impulsive for his times but the chaotic world has quickly caught up with him. That's why his work will last. The purifying force of his irony becomes the more important and useful – particularly because it is driven by the profound humanity that Dürrenmatt's friends always knew in him.« – Peter Brook

»Now, like an avalanche in far-off mountains, comes Friedrich Dürrenmatt, a detective-story writer with a genius for the theater, to give us a new theme, or rather to remind us of an ancient one: justice. His vision is a cold one but pure, and very nearly unique in our day, for in his devotion to the idea of justice he has succeeded in casting across an age committed to false Love the dark shadow of the scales.« – Gore Vidal

»It was once observed by Oscar Wilde that a writer should be able to write anything. Mr. Dürrenmatt meets Wilde's requirement. He adopts a manner well liked by some of our better writers, that of a Roman of the later Empire, a golden weariness. Mr. Dürrenmatt chooses compression of style and strictness of form, but the late Imperial feeling is still there.« – Saul Bellow

»One of the greatest writers of our century.« – Corriere della Sera, Milan

»Next to Kafka and Camus, he is one of the great questioners of this world.« – Martin Ebel / Süddeutsche Zeitung, Munich

»Friedrich Dürrenmatt belonged to the most cheerful apocalyptic writers of the 20th century.« – Thomas Hürlimann / Neue Zürcher Zeitung, Zurich

»Universal, uncomfortable and visionary: Friedrich Dürrenmatt is the worthy reigning literary monarch of the year.« – Wener Krause / Kleine Zeitung, Graz

»He is evil, he doesn't think anything good of humanity, and he describes this – but he does it with wit.« – Elke Heidenreich / SRF2, Zurich

»Friedrich Dürrenmatt is a centennial author, because he saw the century that was to follow him too.« – Daniele Muscionico / Aargauer Zeitung, Aarau
